Dear sir:

I am writing you to find out the contact man that I should see to try and contact former members of the 306th Bomb Group (H). The last P.O. was 684, I believe. We were stationed at Thurleigh, England in Dec. 1943 when I left to return to the States for Pilots Training. The C.O. was Colonel J.W. Wilson. Colonel Williams was the Adjutant and Major Salada was the Operations Officer. I particularly want to get in touch with Colonel Wilson and some of the enlisted men of the 423rd Bomb Sq. of the 306th Group. I would of course like a complete roster of the 423rd if it is available. Please inform.

Sincerely yours,

Max M. Bowles 19003645
