Dear Helga:

I was saddened to receive your message concerning George, and want to offer my personal condolences as well as those of the 306th organization. All of our pilots were special!

It would be of great help to me in trying to maintain a good record of 306th personnel if you could find time in the near future to fill out the enclosed biographical form for George, as well as you can.

Some of those personal details about him will be helpful in the future.

Sincerely yours,

Russell A. Strong
