Dear Mr. Strong,

The information about Everett W. Roush, a co-worker and organization member of mine for all the WWII years, was furnished to me in a letter from his widow (Mrs. M. Roush, 1343 Main St, Dresden OH 43821) and in the IN Remembrance Card she sent.

As for the information about my beloved wife, I should have sent it long before now.

Please enter the typed data above in the Obituaries section of your next issue of the 306th Echoes. Also, would you please furnish me 5 copies of that issue and 3 copies to Mrs. Roush and bill me for all the extra copies.

Thanks,

Broadus T. Burgess

P.S. I look forward to receiving the 306th Echoes, enjoy reading it and think you all do a very good job.
