Dear Bill,

I am an Associate member of the 8th AFHS. Today, I bumped into one of the lost souls of your unit, the 306th. I am writing you with his name and address so that you might get <sup>him</sup> into your organization.

Ralph said he often looked at his Legion magazine and wondered why none of his Air Corps units ever had reunions. I told him he was reading the wrong magazines and that the 306th had been active in their vets organization for many years.

It definitely sounds like he wants to join up. Why not send him whatever literature you have. I have already given him the address of the 8th AFHS.

Sincerely,

Tim Staats
