Dear Stan:

I think the things you ought to do is to contact Ralph Franklin "our man" in England by letter or by phone and tell him of your plans.

He can give you better directions than I can about getting to Thurleigh from Bedford. I probably could make it without getting badly lost, but I have usually ridden with someone so am not completely sure myself about the route.

Ralph may well meet you in Bedford, and if you are staying over night there, He might well pick you up and take you about.

You will want to see our new muuseum there, and Ralph has the keys. He can also get you around and about the base without difficulty.

Ralph's address:

National School Cottage
Mill Hill Keysoe, Beds MK44 2HP
England

From the US you dial him:

011, 44, 1234, 708715

In England you do 1234 708715

Best of luck on your visit there. My wife and I hope to make it one more time in Summer 04. Hope to see you in Savannah. Ralph will be there.

Sincerely yours,
