Dear Russ Strong:

Have just received the new 306th Directory and it reminded me that I don't think I have contributed to Echoes this year. If not or otherwise here is \$10.00 for the cause.

With Thanks & Appreciation,

Dear Tom:

I would very much like an opportunity to examine your diary. If you could send it and your B-17 pictures along, I would return them within a few days.

I would suggest that you mail them registered, and I will be happy to pay the registration fee. Perhaps I will be able to copy some of the plane pictures for my collection.

Sincerely yours,

Russell A. Strong
