Mr Bill Collins:

Enclosed is an old English weekly paper which I found while preparing to move across the Mississippi river.

If it is of any interest to the organization, you may keep it. If not, toss it in the waste basket. I must have had it in my barracks bag when I came home.

I was a tail-gunner on Ryders crew - (1944-45) in the 369th sq.

Sincerely -

Dear Mother

I received your letter of the 18th and was glad to hear from you. I am well and hope this letter finds you the same. I am enjoying the summer here.

I hope that the weather here is just what you need. I have had a few days of hot sun and had not time to look at the weather. I have had a few days of hot sun and had not time to look at the weather. I have had a few days of hot sun and had not time to look at the weather.

I am sure you will enjoy the summer here. I am sure you will enjoy the summer here. I am sure you will enjoy the summer here.

Yours affectionately  
John
