Dear John:

As you were an officer in the 306th during 1943, I am writing to ask if you still have your 201 file. If you do, would you be so kind as to look through it for any orders pertaining to 306th personnel, or issued to you while you were at Thurleigh.

I would very much like to obtain copies of any of them that I can for the Association files.

Orders in 1943 in particular were not saved by the Group, or any other organization, until 1 Dec 43. Thus, I am always on the lookout for orders from 1 Mar 42 through 30 Nov 43. I have an extensive collection of them now, but continue to look for those that will fill in the gaps and that may provide me with some additional bits of information.

If you do have any such orders from 306th Bomb Group, Station 111 or the 369th Squadron, I would appreciate having you either copy them and send me the copies, or by sending me the originals, permitting me to copy them, and then returning them to you.

Any assistance you may be able to give me will be greatly appreciated.

Sincerely yours,
