Dear Kuss

Received your card yesterday and I had better Clear up my situation. My wife Barbara died apr 8, 1987 while we were lidring in Titlle Rock.

Charlese Martin and I are good friends and go many places together but circumstance keep tog us from getting married. Thanks for your thoughts anyway. I appreciate it.

Startwell Minnick I wish we could be in Charlotte this weekend for the basketball games but those \$2,000 seats are too much for me.

My 1, 1993 Russell a Strong Il received my of 23 Combat diary today and in yoing through it I came accross the name of Thomas D. Hedley He joined the Group on 11/28/44 and was in the group that were stationed at Astres on the Casey Jones project. The and myself and two others took a short leave in Rome during that time. The reason to bring this sy is to let you complète your file on Som. He died af suicide in Wewoka, Okla during the 1960-I happened to be gaing through there about a week later and stopped to see him when I

learned about it.

The was a fine man and it was a shock to me when I heard about it.

Nope you all have a good reunion in Seattle.
