

DR. HAROLD D. MUNAL

## Well-known San Juan physician, Munal dies

SAN JUAN — Dr. Harold Dean Munal died at his residence in San Juan on Saturday, at the age of 76 after a lengthy illness.

He was a well known and respected physician in San Juan for many years.

He graduated from high school in Memphis, Tennessee, and attended Kansas State College, the University of Tennessee and Southern Methodist University. He received his M.D. from Baylor Medical School in 1940.

He attended the School of Aviation Medicine at Randolph Field following which he was assigned the 306 Bomb Group (H) and served in the European Theater of Operations. He was awarded the ETO ribbon and six battle stars, the Bronze Star for meritorious service, and a Presidential Citation.

After his release from the Air Force, Dr. Munal came to San Juan, where he was in active practice from 1946 until 1985. At that time he moved his practice to McAllen until his retirement in December 1987. He was a charter member of the

American Academy of General Practice and past president of the Hidalgo-Starr Counties Medical Society. He held a fellowship in the American Geriatrics Society since 1959.

He is survived by his wife, Elizabeth Rutherford; two sons, Harold Dean Munal and Jamie Rutherford Munal and five grandchildren; and one sister, Mrs. Lillian Hensley of Dallas,

Funeral services will be conducted Monday at Kreidler Funeral Home on N.10th in McAllen. Officiating will be Rev. Keith Wyatt. Burial will follow at Valley Memorial Gardens.

Dear Dr. Shuller -

It is very hard to write  
of Deane's recent death, June 24<sup>th</sup>.  
He certainly was extremely courageous.  
I believe his medical problems could  
have caused a lesser person to  
throw in the sponge - but that was  
not his manner of living.

He considered you a very  
close friend as well as a close  
colleague in medicine. I know  
he will be with you in spirit  
at your reunion in Los Vegas.

Sincerely,  
H. Deane Munal

Dear Mrs. Munal:

I was saddened to receive from Thurman Shuller a few days ago a note that Dr. Munal had passed away. Please accept my condolences.

I would very much like to know if you wish to be continued on the mailing list for 306th Echoes, and enclose a stamped addressed envelope for your use.

For the 306th files, I would also appreciate receiving a copy of his newspaper obituary, or other biographical statement concerning him.

Perhaps you could also answer a couple of other questions:

When did he leave the 306th Bomb Group?

What was his final rank?

When did he return to civilian life?

I am also seeking copies of orders issued by the 306th Bomb Group, and would appreciate it if you or some member of your family might search through his 201 File, if it still exists, and make copies of any or all orders issued to him between 15 Apr 1942 and his departure from the 306th.

Or, if you do not wish to undertake this, you might send me the file, let me make the copies and I would return it to you by the next day's mail following my receipt of it.

Any assistance you can give me in these matters will be greatly appreciated.

Sincerely yours,

Russell A. Strong

Dear Mrs. Munal:

I was saddened to receive from Thurman Shuller a few days ago a note that Dr. Munal had passed away. Please accept my condolences.

I would very much like to know if you wish to be continued on the mailing list for 306th Echoes, and enclose a stamped addressed envelope for your use.

For the 306th files, I would also appreciate receiving a copy of his newspaper obituary, or other biographical statement concerning him.

Perhaps you could also answer a couple of other questions:

When did he leave the 306th Bomb Group?

What was his final rank?

*LT COL. RET*

When did he return to civilian life?

*1945 or 1946*

I am also seeking copies of orders issued by the 306th Bomb Group, and would appreciate it if you or some member of your family might search through his 201 File, if it still exists, and make copies of any or all orders issued to him between 15 Apr 1942 and his departure from the 306th.

Or, if you do not wish to undertake this, you might send me the file, let me make the copies and I would return it to you by the next day's mail following my receipt of it.

Any assistance you can give me in these matters will be greatly appreciated.

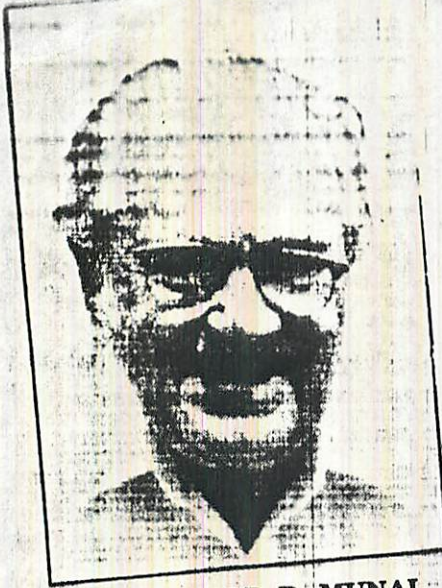

Sincerely yours,

*Russell A. Strong*
