Dear Russ:

I have just returned from a visit with Dan Pleasant, whose buisness is just four blocks from me. He told me about my name being in the 306th Echoes, in the lost column. I am sorry about the mixup in the mail, but I filled out a moving slip with the Post office when we left Ohio, four years ago, but here I am.

Bill Jones, Dan and I live here within twenty miles of each other and visit several times each years. Henry Cordery comes up from Florida each year and all we talk about is the 306th.

Russ I still have some pictures taken at Thurleigh, if they will be of any help to you I will be more than glad to send them to you, of course I would like them back when you are through with them. Let me know.

We are planning on making the next 306th meeting.

Sincerely

*Lee R. Patterson*
