

Dear Dale;

I am sending a check for \$25.00 for the 306th BG Association. I would like to show my appreciation for the 306th Echoes and hope it can continue for many more years.

I would like the records corrected. In your listings on Pilots, you show me only as a Co Pilot. I was checked out and flew my last 7 missions as Pilot.

Thank you again for your efforts in bringing the fine publication to us veterans of the 306th

Sincerely,
Dick Pawelke
