Dear Russell,

My father-in-law, Samuel S. Seymour fell from  
 scaffolds to his death on April 28, 1971. This accident  
 happened in Milwaukee, Wi. at a job site. He was  
 the foreman and was checking to make sure  
 everything was safe before his crew began work.  
 He was a good man. Thank you for your  
 inquiry and I wish you a Blessed Christmas.
