Dear Russ

It has been a long time since I met you at the opening of the "306th" restaurant in Sarasota, Fl.

a few things have happened since then.

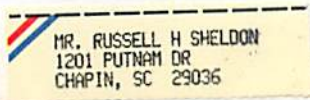

1. Please note my address change from Miami, Fl.
2. Wilton A. Shipley, Chapin, S.C. died in January this year.
3. The known surviving members of Capt. Walter P. Rozette's crew, whom you mentioned in your book met in Daytona Beach, Fla last April a year ago. Rozette, Mike Kramer and myself had a small reunion. Shipley was there too and as I said

passed on. I was the tail gunner on
the crew.

4. Please find a check for \$10.00 to help
you carry on with the work of
the 306th

Keep up the good work.

Sincerely,
Russell H Sheldon

P.S. Either address will due.

Dear Russ,

My copy of the new directory arrived
and I am impressed with the effort.
Everyone involved should be congratulated
for a job well done.

Regretfully I need to inform you of
the death last year of my tail gunner
Russell Sheldon

For your records you might also make
note of my telephone number (510) 376-6450.

Sorry we missed the Des Moines affair
but we were diverted to a family reunion back
East. Hopefully we will see you in Knoxville in
1995.
