# BOMB 306 GROUP

AUGUST-SEPTEMBER-OCTOBER

R E S T R I C T E D  
HEADQUARTERS  
AAF STATION 111  
APO 557

IMPORTANT INSTRUCTIONS

LOCAL CALLS:

- a. To signal the operator, depress and release the Cradle Bar slowly until the operator answers.
- b. Call by number only. If a number cannot be found in the directory, the supervisor will assist you.
- c. Due to the volume of traffic at this headquarter s, it will be impossible to book calls on local extensions.
- d. Do not engage existing circuits longer than your business warrants. Have all data and substantiating papers pertinent to the call.

PERSONAL TELEPHONE ACCOUNTS:

All telephone accounts will be paid on or before the eighth day of the month in which the call were made, i.e., accounts for the month of December, 1944, are due on or before the 8th January, 1945. Failure to pay accounts will terminate personal telephone account privileges for the officer involved.

SIGNAL SECURITY:

Telephones not equipped with "SCRAMBLERS" are not secret. Never mention secret or confidential matters over these telephones. Scrambler equipped telephones which provide a limited degree of security can be used within the United Kingdom for referring to secret or confidential matter by veiled or coded reference only. This permits the conveyance of information by code letter, words, or phrases without disclosing actual meaning. Under no circumstances will the total secret or confidential information be conveyed by this means.

REGUALTIONS:

- a. Telephone moves, installations or failures should be reported to the switchborad. Any criticisms should be reported to the supervisor. Constructive criticism is welcomed at all times.
- b. No social call (in-coming or out-going) will be handled by our switchboard prior to 1700 hours. In-coming calls will be directed to departmental phones.
- c. Cablegrams and local telegrams will be sent through the base post office and not through Base Communications.
